Please write a few sentences explaining why you are interested in Vacationing on a Horse and Cattle Ranch indicating that you understand that this is a rustic, guest ranch, not at expensive dude ranch, as well as being off-grid, and as such is without amenities such TV, internet, texting and other digital media. Please acknowledge that you have reviewed the Packing List and understand that you need to bring your own sleeping bag, pillow and other personal items, including a riding helmet. You will participate in deciding the calendar of on-ranch rides and off-ranch activities after your arrival with other guests in your group. All guests will be expected to participate in all activities. If you have goals you would like to accomplish while on vacation here, we would like to know what they are so we can discuss with you whether they are realistic. Please be candid with yourself and with us about your abilities, expectations and limitations.

The price includes only on-ranch activities. You need to budget for off-ranch events and activities (See website for recommendation). Travel insurance is recommended in case you must cancel your trip for any reason (See Refund Policy).

## REQUIREMENTS for a Ranch Vacation

Guests must be eighteen years of age or older or be accompanied by an adult. In a ranch environment, riding is a hands-on activity. Vacation applicants should indicate by signing below your willingness and ability to endure the physical activity of horseback riding, and acknowledge that schedules are flexible due to weather, grass and livestock conditions and Wyoming weather, which can range from cold to hot to windy to rainy to snowy, often in a short period of time. Some activities (such as moving cattle) are seasonal and may not be available during your visit.

Responsibility rests with the Guests to observe our policies and take advantage of the opportunities at hand. Ranch policies will be reviewed in detail as part of the in-depth orientation upon your arrival at the ranch.

Your insurance must cover extensive horseback riding and may be invalid if you do not wear a riding helmet. Helmets are required for minors and are strongly recommended for all riders, so bring your own. In compliance with the Certified Horsemanship Association recommendations, a helmet release **MUST** be signed if you are 18 years of age or older and choose not to use a helmet on the ranch, whether within the vicinity of the corrals or while horseback.

The undersigned, a participant and visitor to HorseWorks Wyoming, LLC, acknowledges that he/she has read and agrees to the above and is aware of and advised of the Laws of the State of Wyoming and the United States with regard to the use of alcohol, illegal drugs, and other items which may lead to substance abuse. The undersigned agrees that he/she will abide by the terms of said Laws and will not violate the conditions thereof. In the event that the undersigned is suspected to have violated this requirement he/she may be asked to leave the program at HorseWorks Wyoming, LLC and will immediately vacate the premises at his/her own cost and expense and without being entitled to a refund. For your safety and protection, the ranch also has a strict no alcohol/no illegal drugs policy, which must be respected at all times. Anyone failing to observe this rule will be asked to leave the ranch immediately, with no refund.
